

THE FRIENDS ASSOCIATION

Join us now and help support the performing and visual arts in Perth.

The Friends of Perth Festival of the Arts Association held its inaugural meeting in September 1982. The main aim of the Friends is to promote the continuation and development of the Festival.

The Association is a registered Scottish Charity (No. SC004156) and through subscriptions, donations and fund raising concerts, the Association is a main sponsor of the Festival.

The Festival has a broad appeal. In addition to classical concerts, choral music, opera, ballet and art exhibitions, the Festival now attracts top performers in jazz, folk and country music, pop and rock, straight plays and comedy.
